He reminds attendees that, as indicated in the notice of call, participation in the Shareholders’ Meeting by those entitled to vote takes place exclusively through the Company’s Designated Representative, as the party to whom shareholders can grant proxies with voting instructions on all or some of the proposals on the agenda, pursuant to Article 135-*undecies* of the TUF, and that Monte Titoli, as Designated Representative, has announced that it has no personal interest in the proposed resolutions submitted for voting. However, with due consideration to the existing contractual relations between Monte Titoli and the Company, particularly in relation to technical support at shareholders’ meetings and ancillary services, in order to avoid any subsequent disputes connected with presumed circumstances that may result in a conflict of interest as described in Article 135-*decies*, paragraph 2, letter f) of the TUF, Monte Titoli has expressly stated that, should relevant events occur which were unknown when the proxy

was issued, or in the case of amendments or supplements to the resolution proposals presented to the Shareholders' Meeting, it does not intend to cast a vote that differs from that indicated in the instructions.

The Chairman also declares that:

□ the subscribed and paid-in share capital at today's date is €35,677,553.00 (thirty-five million six hundred and seventy-seven thousand five hundred and fifty-three point zero zero) fully paid-in, represented by 35,677,553 (thirty-five million six hundred and seventy-seven thousand five hundred and fifty-three) ordinary shares with no nominal value;

□ as of today's date, the Company holds 298,794 (two hundred and ninety-eight thousand seven hundred and ninety-four) treasury shares, equal to roughly 0.84% (zero point eighty-four percent) of the share capital, the voting rights for which are suspended pursuant to Article 2357-ter of the Italian Civil Code, without prejudice to the provisions of Article 2368, paragraph 3 of the Italian Civil Code, referred to in Article 2357-ter, paragraph 2 of the Italian Civil Code, regarding the calculation of the quorums for the constitution and deliberation of this meeting;

□ on 21 April 2020, the Shareholders' Meeting approved a divisible share capital increase, excluding option rights, pursuant to Article 2441, paragraph 8 of the Italian Civil Code, of a maximum nominal value of €884,615.00 (eight hundred eighty-four thousand six hundred fifteen point zero zero), to be executed no later than 30 June 2029, with the express provision that partial subscriptions of that increase shall be effective immediately, through the issue of a maximum number of 884,615 (eight hundred and eighty-four thousand six hundred and fifteen) ordinary shares of Sanlorenzo destined, exclusively and irrevocably, to service the 2020 Stock Option Plan, as approved by the Sanlorenzo extraordinary shareholders' meeting of 21 April 2020, all under the terms and conditions set out in the resolution; this share capital increase at

- to date, according to the findings of the shareholders' register, supplemented by notifications received pursuant to Article 120 of the TUF and other information available to the company, the parties that hold, directly or indirectly, an equity investment in Sanlorenzo exceeding 3% (three percent) pursuant to Article 120 of the TUF, are the following:

Shareholder	Holding company	Number of ordinary shares	Number of voting rights	% share capital	% of total voting rights

Happy Life S.r.l.	Massimo Perotti	1,983,552	3,932,104	5.56%	7.16%

The Chairman invites the Designated Representative to make any legal declaration required by law.

The Designated Representative, in the person of Francesca Neodo, takes the floor and states:

- that by the legal deadline, 12 (twelve) proxies were received pursuant to Article 135-*undecies* of the TUF, representing 42,002,195 (forty-two million two thousand one hundred and ninety-five) votes equal to 76.514% (seventy-six point five one four percent) of the total voting rights, and 1 (one) sub-proxy pursuant to Article 135-*novies* of the TUF, incorporating 231 (two hundred and thirty-one) ordinary proxies, representing 4,944,473 (four million nine hundred and forty-four thousand four hundred and seventy-three) votes equal to 9.007% (nine point zero zero seven percent) of the total voting rights, for a total of 243 (two hundred and forty-three) proxies for a total of 27,730,563 (twenty-seven million seven hundred and thirty thousand five hundred and sixty-three) ordinary shares equal to 77.726% (seventy-seven point seven two six percent) of the share capital, granting a total of 46,946,668 (forty-six million nine hundred and forty-six thousand six hundred and sixty-eight) voting rights equal to 85.521% (eighty-five point five two one percent) of the total voting rights;

- that prior to each vote, he will communicate the shares for which no voting indications have been provided by the delegating party.

The Chairman, having acknowledged that pursuant to paragraph 3 of the aforementioned Article 135-*undecies* of the TUF, the shares for which proxies, including partial proxies, have been given to the Designated Representative, are counted for the purpose of the regular quorum of the meeting, while in relation to the proposals for which voting instructions have not been conferred, the shares will not be counted for the purposes of calculating the majority and the

share of capital required for the approval of the relevant resolutions. He declares that there are therefore present by proxy 210 (two hundred ten) eligible to vote, representing 27,730,563 (twenty-seven million, seven hundred and thirty thousand, five hundred and sixty-three) ordinary shares equal to 77.726% (seventy-seven point seven hundred and twenty-six percent) of the share capital, for a total of 46,946,668 (forty-six million, nine hundred and forty-six thousand, six hundred and sixty-eight) votes equal to 85.512% (eighty-five point five hundred and twelve percent) of the voting rights, taking into account the shares with increased voting rights.

The Chairman informs that the communications of the intermediaries for purposes of participation in this Shareholders' Meeting by the entitled persons through the Designated Representative were carried out in accordance with relevant governing legal provisions and in compliance with the provisions of the By-laws.

Hence, he declares that the Shareholders' Meeting is duly convened, validly constituted in first call within the terms of the law and the By-laws and is empowered to make resolutions upon items on the agenda.

He announces that there was no solicitation of voting proxies pursuant to Article 136 et seq. of the TUF promoted in relation to today's meeting.

He informs that, pursuant to the "GDPR" (General Data Protection Regulation - EU regulation 2016/679) and the governing national legislation on personal data protection, the personal data collected are processed and stored by the Company, on electronic media and hardcopy, for the purposes of correctly conducting shareholders' meetings and for taking minutes, as well to satisfy any related corporate and legal obligations.

He also notes that the audio-video recording of the Shareholders' Meeting is made for the sole purpose of facilitating the taking of the meeting minutes and documenting what is transcribed in the minutes, as specified in the information provided to all participants; all data will be stored, together with the documents produced during the meeting, at Sanlorenzo's registered office; recording tools of any kind, photographic equipment and similar cannot be used, with the exception of the audio recording tools used by the Company to facilitate the taking of the meeting minutes.

The Chairman notes:

- that the voting rights relating to the shares for which the disclosure obligations referred to in Articles 120 and 122, paragraph 1, of the TUF- concerning respectively the significant equity investments and shareholders' agreements - have not been fulfilled, cannot be exercised;
- as regards shareholders' agreements, that the company is aware, pursuant to Article 122 of the TUF, of the existence of just one agreement, which has been subject to the prescribed disclosure requirements, included on the company's website www.sanlorenzoyacht.com, "Corporate Governance/Documents and Procedures" section, which should be referred to for the details;
- that the Designated Representative has declared that he will vote on the basis of the instructions provided by the delegating parties;
- that, with regard to the items of the agenda, the requirements envisaged by governing laws and regulations have been duly fulfilled;
- the related documentation has been subject to disclosure obligations contemplated by the applicable regulation, as well as made available on the Company's website;
- that the following are attached to the meeting minutes as an integral and essential part of the same and will be available to those entitled to vote:

➤ the list of names of the participants in the Shareholders' Meeting, through the Designated Representative, complete with all the data required by Consob, indicating the number of shares for which the communication by the intermediary to the issuer has been made, pursuant to Article 83-*sexies* of the TUF (ANNEX A);

➤ the list of names of the persons who have expressed, through the Designated Representative, a vote in favour or against, or have abstained, and the relative number of shares represented by him/herself and/or by proxy (ANNEX B).

The Chairman then moves on to discussion of the **first item** on the agenda:

1. Financial statements for the year ended 31 December 2025. Related and consequent resolutions:

1.1. approval of the financial statements, subject to the presentation of the report on operations for the year ended 31 December 2025, including the consolidated sustainability report for financial year 2025. Presentation of the consolidated financial statements of the Sanlorenzo Group as at 31 December 2025;

1.2. proposal for the allocation of profit;

1.3. reduction of the restriction on the extraordinary reserve up to a maximum amount of €5,900,000 pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted into law with amendments by Italian Law no. 126 of 13 October 2020.

The Chairman specifies that the reading of the documents concerning all items on the agenda will be omitted, limiting the reading only to the resolution proposals contained in the explanatory reports prepared by the Board of Directors. The Chairman acknowledges that there are no objections.

The Chairman, moving to **item 1.1** on the agenda, states that, considering that the draft financial statements as at 31 December 2025, the separate and consolidated financial statements as at 31 December 2025 and the consolidated sustainability report for fiscal year 2025, as examined and approved by the Company's Board of Directors held on 9 March 2026, were made available to the public in accordance with the law, their presentation can be omitted. The Chairman acknowledges that there are no objections.

The Chairman yields the floor to Enrico Fossa, Chairman of the Board of Statutory Auditors, who, in the name of the entire Board of Statutory Auditors, reports that he has received on time from the auditing firm, BDO Audit Services S.r.l., the Supplementary Report to the Audit Committee referred to in Article 11 of Regulation (EU) No. 537/2014 of the European Parliament and of the Council, and that the Board of Statutory Auditors has submitted to the Board of Directors, with a formal explanatory letter, the activities carried out on 25 March 2026, it has no observations to report in this regard.

The Chair then informed the meeting that, as indicated in the Report on the ownership structure and corporate governance for the 2025 financial year, BDO Audit Services S.r.l. is the current auditor of the company, having taken over from BDO Italia S.p.A., to which the company had granted a mandate for the statutory audit of the accounts by resolution dated 23 November 2019, following the transfer by BDO Italia S.p.A. itself, with effect from 1 January 2026 and communicated to the company on 9 January 2026, of a business unit to BDO Audit Services S.r.l.

The Chairman, Massimo Perotti, moving on to the discussion of **item 1.2**, illustrates the proposed resolution regarding the allocation of the profit for the financial year ending 31 December 2025, which he reads. Said resolution calls

for the allocation of the profit for the 2025 financial year, amounting to €90,384,714 (ninety million three hundred and eighty-four thousand seven hundred and fourteen), as follows:

- (i) to the legal reserve €19,545 (nineteen thousand five hundred and forty-five);
- (ii) to shareholders as a dividend of €1.05 (one point zero five) for each share outstanding on the ex-dividend date, excluding treasury shares held on that date, payable on 20 May 2026, with ex-dividend date 18 May 2026, and record date (date of entitlement to the payment of the dividend, pursuant to Article 83-*terdecies* of the TUF) 19 May 2026;
- (iii) to the extraordinary reserve the amount of the residual profit.

The Chairman notes that the proposed dividend amount corresponds to a payout of approximately 35% (thirty-five percent) of the Group's share of net profit for the period; the dividend is therefore an increase of 7% (seven percent) compared to the dividend of €1.00 (one point zero zero) per share distributed in 2025.

The Chairman, Massimo Perotti, finally, moves on to the discussion of **item 1.3**, and illustrates the proposal to reduce the restriction on the extraordinary reserve, pursuant to Article 110, paragraph 8, of Italian Decree Law No. 104 of 14 August 2020, converted with amendments by Law No. 126 of 13 October 2020.

To this end, the Chairman recalls that on 21 April 2021, the Shareholders' Meeting had resolved to place a restriction on the extraordinary reserve up to a maximum amount of €8,400,000, pursuant to Article 110, paragraph 8, of Italian Decree Law No. 104 of 14 August 2020, converted with amendments by Italian Law No. 126 of 13 October 2020, as a result of the decision to realign tax values to the higher book values for certain assets. This realignment, carried out in compliance with tax regulations, allowed the Company to obtain significant tax savings distributed over the depreciation period of the realigned assets and determined by the difference between the ordinary direct tax rate and the pro tempore substitute tax rate. The amount of the restriction approved by the Shareholders' Meeting of 21 April 2021, amounting to €8,400,000 was intended as a maximum amount, subject to gradual reduction in subsequent years for the depreciation portion of the assets subject to realignment. On 28 April 2022, the Shareholders' Meeting resolved to reduce this restriction to a maximum amount of €7,850,000. On 27 April 2023, the Shareholders' Meeting resolved to reduce this restriction further to a maximum amount of €7,320,000. On 26 April 2024, the Shareholders' Meeting resolved to reduce this restriction further to a maximum amount of €6,850,000. On 29 April 2025, the Shareholders' Meeting resolved to reduce this restriction further to a maximum amount of €6,370,000.

By virtue of the above, on 9 March 2026 the Board of Directors resolved to propose to the Shareholders' Meeting a new reduction of this restriction to the maximum amount of €5,900,000 (five million nine hundred thousand).

In view of the foregoing, the following proposed resolution, set forth in the Explanatory Report of the Board of Directors pursuant to Article 125-*ter* of the TUF and 84-*ter* of Consob Regulation No. 11971 of 14 May 1999 (“**Issuers' Regulation**”) made available to shareholders in the manner required by law, is read aloud:

“The Shareholders’ Meeting of Sanlorenzo S.p.A., convened in ordinary session,

- (i) having heard and approved the presentation of the Board of Directors;*
- (ii) having examined the draft financial statements of Sanlorenzo S.p.A. as at 31 December 2025, which highlight a profit for the year equal to*

€90,384,714, and the report on operations of the Board of Directors, including the consolidated sustainability report for financial year 2025;

(iii) having examined and noted the consolidated financial statements as at 31 December 2025 and the consolidated sustainability report for the financial year 2025 included in the report on operations;

(iv) having examined and noted the report of the Board of Statutory Auditors and the reports of the Independent Auditing Firm;

(v) having examined and shared the Explanatory Report of the Board of Directors and the proposals contained therein

resolves

1. to approve the financial statements of Sanlorenzo S.p.A. for the year ended 31 December 2025 together with the report on operations of the Board of Directors;
2. to allocate the profit for the year, totalling €90,384,714, (i) to the legal reserve €19,545; (ii) to the Shareholders as dividend in the amount of €1.05 for each of the shares in circulation on the ex-dividend date, excluding treasury shares held at that date, with payment date on 20 May 2026, ex-dividend date on 18 May 2026 and record date (date of entitlement to the dividend payment, pursuant to Article 83-terdecies of Italian Legislative Decree no. 58 of 24 February 1998) on 19 May 2026; (iii) to the extraordinary reserve, the residual profit;
3. to reduce the restriction on the extraordinary reserve up to a maximum amount of €5,900,000, pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted with amendments by Italian Law no. 126 of 13 October 2020;
4. to confer on the Chairman of the Board of Directors Massimo Perotti, the right to sub-delegate, including through powers of attorney, the broadest powers to carry out all the activities relating to, consequent to or connected with the implementation of the resolutions referred to in points 1), 2) and 3) above.”

Mr. Enrico Fossa, Chairman of the Board of Statutory Auditors, takes the floor and reads the conclusions of the Board of Statutory Auditors' report on the Sanlorenzo 2025 financial statements. He states that, taking into account all of the foregoing, the content of the reports produced by the auditing firm, and the attestations jointly issued by the Chief Executive Officer and the Managers responsible for preparing the financial and sustainability accounting documents, there were no reasons to prevent the approval of the financial statements contained in the Annual Financial Report, which also includes the Sustainability Report of Sanlorenzo S.p.A. for the year ended 31 December 2025, as presented by the Board of Directors. He expresses a favorable opinion on the Board of Directors' proposal for the allocation of the net profit for the year of €90,384,714.

The Chairman, Massimo Perotti, having heard the report, puts the aforementioned proposed resolution on **item 1.1** to a vote.

He asks the Designated Representative, pursuant to Article 135-undecies of the TUF and for the purpose of calculating majorities, whether in relation to the proposal read previously he is in possession of voting instructions for all the shares covered by proxy.

The Designated Representative informs that he is not in possession of instructions for 0 (zero) votes, equal to 0% (zero percent) of the votes represented at the Shareholders' Meeting.

He therefore specifies, for this vote, that he holds proxies for a total of 46,946,668 (forty-six million, nine hundred and forty-six thousand, six hundred

and sixty-eight) votes, equal to 100% (one hundred per cent) of the voting rights represented at the meeting, taking into account the shares with increased voting rights.

Voting continues through announcement of the votes by the Designated Representative.

- 46,945,537 votes in favour, or 99.998%
- 0 votes against, or 0%
- 1,131 votes abstaining, or 0.002%

The proposal is approved, all in accordance with the details provided in ANNEX B.

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Representative answered no.

The proposal is approved, all in accordance with the details provided in ANNEX B.

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Representative answered no.

The Chairman then moves on to discussion of the **fifth** and **last item** on the agenda:

5. Resolutions regarding the authorisation to purchase and dispose of treasury shares:

5.1. revocation of the authorisation to purchase treasury shares resolved by the Ordinary Shareholders' Meeting of 29 April 2025;

5.2. authorisation to purchase and dispose of treasury shares, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of Italian Legislative Decree no. 58 of 24 February 1998, as amended, and the related implementing provisions. Related and consequent resolutions.

The Chairman submits to the meeting a proposal to authorise the purchase and disposal of ordinary shares of Sanlorenzo S.p.A., pursuant to the combined provisions of Articles 2357 and 2357-*ter* of the Italian Civil Code, as well as Article 132 of the TUF and related implementing provisions, in particular Article 144-*bis* of the Issuers' Regulation, without prejudice to the application of Regulation (EU) No. 596 of 16 April 2014 on market abuse ("MAR Regulation"), Delegated Regulation (EU) No. 1052 of 8 March 2016 on the conditions applicable to the buyback of own shares and stabilisation measures, as well as market practices permitted and approved from time to time by Consob pursuant to the MAR Regulation.

He recalls that with a resolution adopted on 29 April 2025, the meeting authorised the purchase of up to a maximum of 3,554,247 (three million five hundred and fifty-four thousand two hundred and forty-seven) treasury shares of the Company, subject in any case to compliance with the maximum limit set

forth in Article 2357, paragraph 3 Civil Code, as well as disposal. Said authorisation for purchase has a duration of 18 (eighteen) months from the date of the aforementioned resolution and, therefore, will expire 29 October 2026, and thus during the year, while the authorisation for disposal of was granted without time limits. He therefore proposes, for the purpose of simplification, to proceed with the prior revocation of this purchase authorisation, so that the company has, as of the Shareholders' Meeting of 24 April 2026, a single Shareholders' Meeting authorisation.

The Chairman then explains that the reasons that make it advisable to authorise the purchase and disposal of treasury shares and the conditions and terms of the authorisation proposed to the Shareholders' Meeting are described in the Explanatory Report of the board of directors pursuant to Articles 125-*ter* of the TUF and 84-*ter* of the Issuers' Regulation made available to shareholders in the manner required by law.

In particular, the requested authorisation entails the power to purchase, in one or more transactions and to an extent that will be freely determined – from time to time – by resolution of the Board of Directors, a maximum number of the Company's ordinary shares, without nominal value, of 3,565,394 (three million five hundred sixty-five thousand three hundred ninety-four) equal to 10% (ten percent) of the share capital subscribed and paid-in at today's date), in any case without prejudice to compliance with the maximum limit set by Article 2357, paragraph 3 of the Italian Civil Code.

For the purpose of a full assessment of compliance with the provision of Article 2357, paragraph 3 of the Italian Civil Code, the Chairman specifies that at the date of the meeting, the Sanlorenzo subscribed and paid-up share capital amounts to €35,677,553.00 (thirty-five million six hundred and seventy-seven thousand five hundred and fifty-three point zero zero) and is represented by 35,677,553 (thirty-five million six hundred and seventy-seven thousand five hundred and fifty-three) ordinary shares with no par value.

At the date of this Meeting, Sanlorenzo holds 298,794 (two hundred and ninety-eight thousand seven hundred and ninety-four) treasury shares, while Sanlorenzo subsidiaries do not hold shares in Sanlorenzo itself.

The subsidiaries will be given specific instructions to promptly report any purchases of shares carried out pursuant to Article 2359-*bis* of the Italian Civil Code.

The authorisation to purchase treasury shares is requested until 30 April 2027, and therefore for the period of 12 (twelve) months and 6 (six) days from the date of the authorisation resolution of the ordinary meeting. Within this period, the Board of Directors may make the purchases on one or more occasions and at any time, to the extent and in the time frame freely determined in compliance with the applicable regulations, with the timing and as gradually as deemed appropriate in the interest of Sanlorenzo.

The authorisation to dispose of treasury shares in portfolio or that may be purchased under the authorisation that may be granted by the Shareholders' Meeting is requested without time limits, due to the absence of time limits pursuant to current provisions and the advisability of allowing the Board of Directors to avail itself of maximum flexibility, also in terms of timing, to carry out the acts of disposal.

Acts of disposal of the treasury shares can be carried out at any time and to a freely determinable extent, in one or more transactions and even before the quantity of treasury shares that can be purchased has been exhausted, with the timing and graduality deemed appropriate by the Board of Directors of Sanlorenzo in the Company's interest; it will also be possible to repurchase the

shares after their disposal, provided that the limits of the law and the maximum limit of the purchase authorisation as indicated above are respected.

The Chairman therefore submits the following proposed resolution for the approval of the Shareholders' Meeting, as set forth in the above-mentioned Explanatory Report of the Board of Directors pursuant to Articles 125-ter of the TUF and 84-ter of the Issuers' Regulations made available to shareholders in the manner required by law.

3. to authorise the Board of Directors of Sanlorenzo S.p.A., pursuant to Article 2357-ter of the Italian Civil Code, to dispose in whole and/or in part of its treasury shares, without time limits, establishing the price and methods of disposal in the manner deemed most appropriate in the interest of the Company and in compliance with applicable regulations, in the manner and for the purposes set forth in the Board of Directors’ Explanatory Report and within the limits, conditions and terms set forth in said Report, to be considered fully referred to, and in particular – in compliance with the terms, conditions and requirements established by applicable regulations as well as,

where applicable, by the Permitted Practices, in particular where the shares are used to support the liquidity on the market of Sanlorenzo S.p.A. shares – in the manner set out below:

(i) treasury shares may be subject to acts of disposal on one or more occasions, in amounts freely determinable, even before the quantity of treasury shares that can be purchased has been exhausted; it will also be possible to repurchase the shares after their disposal, provided that the limits of the law and the maximum limit of the purchase authorisation as indicated above are respected;

Board of Directors from time to time based on the nature and characteristics of the transaction, also taking into consideration the market performance of the Sanlorenzo S.p.A. stock and the Company's best interest;

The proposal is approved, all in accordance with the details provided in ANNEX B.

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Representative answered no.

There being no other matters to be resolved and as none of the attendees have requested the floor, the Chairman, after being empowered by the Shareholders' Meeting to make all amendments, suppressions and additions to this document as deemed necessary for its entry in the Register of Companies, thanks the attendees, steps down from the chair and closes the Shareholders' Meeting at twenty-five minutes after eleven o'clock.

The appearing party releases me from reading the annexes aloud, stating that he is fully aware of them.

All costs with regard to this deed and related expenses will be borne by the Company.

Pursuant to the privacy regulations in force, the persons before me declare their receipt from me, as Notary, of the written instruction envisaged in Article 13, Italian Legislative Decree No. 196 of 30 June 2003, and specifically consents to processing of the "common" personal data for all the institutional purposes of my office, as well as of any "sensitive" and/or "judicial" data contained in this deed or, in any event, acquired during the course of the related procedures, where permitted for the latter by specific provisions of the law or by a provision

of the Privacy Authority.

Upon request,

I, as Notary, have received and read this deed to the person appearing before me who, on my asking, fully accepts it as compliant with his will and signs it, together with me, as Notary, at thirty minutes after eleven o'clock.

Written partly with electronic means by a person in whom I trust, and partly by my own hand as Notary, this deed consists of thirteen legal sheets, occupying fifty-one sides.

Massimo Perotti (signed on the original)

Niccolò Massella Ducci Teri, Notary (signed on the original).
