

SANLORENZO AND CRÉDIT AGRICOLE LEASING ITALIA: PARTNERSHIP FOR THE YACHTING SECTOR

Innovative collaboration in financial solutions for the purchase of yachts

Milan/Ameglia (SP), 20 September 2021 – With the 61st Genoa Boat Show at the end credits, **Sanlorenzo**, company listed on the STAR segment of the Italian Stock Exchange of Borsa Italiana, and **Crédit Agricole Leasing Italia** have laid down the terms of an important partnership to offer personalised services to their customers. **Sanlorenzo** will recommend Crédit Agricole Leasing Italia as **partner for the lease purchase of yachts and superyachts** to its European clients, providing them a tailor-made service and dedicated conditions.

Sanlorenzo shipyards have been building yachts since 1958 and represent the "atelier" of yachting, thanks to production limited to few units per year, designed and built rigorously made-to-measure for a selected and sophisticated international clientele. Consistent with this philosophy of searching for the highest excellence and with its market positioning, in 2020 Sanlorenzo established High-End Services, a division entirely focused on the proposal of a 360° package of services, to which only Sanlorenzo clients will have access, never offered before in the yachting sector: tailor-made leasing/financing packages, Sanlorenzo Charter Fleet, Sanlorenzo Timeless (refit and restyling services) and crew training at the Sanlorenzo Academy.

Sanlorenzo has chosen **Crédit Agricole Leasing Italia**, entity of **Crédit Agricole Italia Banking Group** operating in the lease sector, as partner for the proposal of customised financial services to its clients. Serving 51 million customers worldwide, **Crédit Agricole** has always been driven by its mutual values of proximity, responsibility and solidarity, values that has cultivated for 120 years. Through its universal banking model Crédit Agricole supports its clients in their personal and professional projects.

"The Italian yachting sector needs agreements like these. Customers must be able to rely on solid builders and sound financial services providers. – Massimo Tripuzzi, Crédit Agricole Leasing Italia General Manager stated – We are pleased to collaborate with Sanlorenzo in this prestigious partnership to best promote a sector that is the flagship of Made in Italy."

"High-End Services reversed the logic from finding the right customers for the product offered to finding the right product and services expected by our demanding owners, who require a customisation that exceeds the good purchased. – Carla Demaria, Executive Director, Head of Sanlorenzo High-End Services Division stated – The agreement with Crédit Agricole Leasing Italia represents a real answer along this path and another hallmark of Sanlorenzo brand."
